Wedding Guide

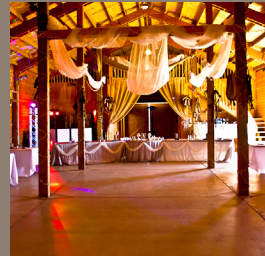

Destination

At Tombstone Monument Ranch, we cater to all main aspects of your wedding and are dedicated to making your day unforgettable. Our event barn comfortably seats 120 with four large doors that open on all sides. There are spectacular views of the Dragon Mountains where Chief Cochise of the Chiricahua Apaches had his stronghold, making our ranch and the surrounding area the perfect backdrop for your big day.

Venue

Ceremonies can be held outside or inside the Barn, on Main Street or even the Saloon. The Mineshaft is the perfect size and location for your rehearsal dinner. It is accessible from both the bar and dining room, but can easily be made private.

Catering

Tombstone Monument Ranch offers catering services for the event, the rehearsal dinner and breakfast the following day. Choose from one of our existing menus or customize your own.

Lodging

Our picturesque ranch is built to represent Tombstone in its heyday. Every room is decorated in turn-of-the-century style. Wedding couples and their guests can stay in any room from the Grand Hotel to the Jail. House your wedding party and guests in our 18 rooms, with a maximum of 4 guests per room (rooms include king and queen beds).

Activities

Entertain your guests—we offer riding, shooting, archery, roping (on the ground lessons), horseshoes, pool, hot tub and a shuttle into Tombstone for food, shopping, drinks and tours.
